IT SOFTWARE QA

I am Muhammad Rizky Erdiansyah, born in Jakarta on October 16th, 1998. I graduated with a Bachelor's degree in Information Systems from Gunadarma University. I have a strong interest in web programming and IT QA.

I am an experienced QA professional and programmer, with in-depth expertise in the .NET Framework, VB.Net, and C#. I am skilled in creating and maintaining reports, as well as in developing test scenarios for UAT (User Acceptance Testing) and conducting testing in QC, staging, PO Test, and SIT (System Integration Testing), ensuring effective execution of UAT and SIT.
